We're happy to help Mohamed.

(Just to be clear. We need to expect that your use will not adversely affect the security of our storage unit or its contents and we must reserve the right to terminate this temporary storage relationship any time in the future for any reason. We understand that you hold the MBIA harmless from any liability in connection with this storage. Please provide us with a copy of your insurance certificate.)

Steve will provide you with a key.

Steve showed me the space today and it would be perfect for the Trishaw (picture attached). We would probably put a cover on it and push it to the south side out of the way of other things. Thanks a lot for supporting this great effort to keep our seniors engaged, with your approval I would like to get a key sometime by Friday. Thanks

Afternoon Don,

Mohamed with Seniors help Seniors is a tenant of ours here at the Airport Office Center. He is working with a group that has special tricycles made for "senior rides". They are looking for place to park the

tricycle. I told them you might have room in your storage area.
